## Mission Statement The First Tee Central Coast

To positively impact the lives of young people in Santa Barbara and San Luis Obispo Counties by providing learning facilities and educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.

### About The First Tee Central Coast

**Central Coast Junior Golf, Inc. organized as a 501c(3) not-for-profit organization in September of 1999 and began doing business as The First Tee Central Coast in October 2002. The organization was created to become a The First Tee Chapter and bring the Life Skills Experience to communities in San Luis Obispo and Santa Barbara counties.**

The First Tee organization provides affordable access to golf and strives to instill in young people ages 5 to 18 life enhancing values such as honesty, integrity, sportsmanship, and respect. The idea is to offer opportunities for improvement in the quality of life and create a platform where children can make good and healthy choices to increase their potential for success.

The World Golf Foundation recognized the need for this type of educational youth organization when The First Tee was announced in November 1997. Since it's inception, The First Tee has had the active support of five of the world's leading golf organizations – the United States Golf Association, PGA Tour, LPGA Tour, PGA of America, and Augusta National Golf Club. Additionally, The First Tee has garnered the unprecedented support of the golf industry including cities and counties that have donated land for the purpose of creating The First Tee golf-learning facilities.

The First Tee Central Coast has steadily grown. The impact of The First Tee is assured because of the extraordinary commitment of the Chapter volunteers and staff combined with the local businesses and political leaders in each community who have embraced The First Tee.

The First Tee Central Coast currently operates after school programming and serves over 4000 young people at fourteen locations: Paso Golf Club in Paso Robles, Santa Barbara Golf Club and Sandpiper Golf Club in Santa Barbara, Santa Maria CC in Santa Maria, Vandenberg AFB and La Purisima in Lompoc, Tee Time Golf Center in Carpinteria, Alisal River Course in Solvang, Laguna Lakes in San Luis Obispo, Sea Pines Golf Resort in Los Osos , Blacklake Golf Resort and Monarch Dunes GC in Nipomo, Morro Bay GC in Morro Bay, and Saticoy CC in Ventura.

We are also supporting The National Schools Program, which takes The First Tee Life Skills into the elementary schools. We are now doing programming in Carpinteria, Santa Barbara, Goleta, Santa Ynez, Orcutt, Lucia Mar, and San Luis Coastal school districts. There are currently over 30,000 young people being served in these schools.
